

ELANTRA

2020

The H-Factor.™

What is the H-Factor™? It means you can have it all.

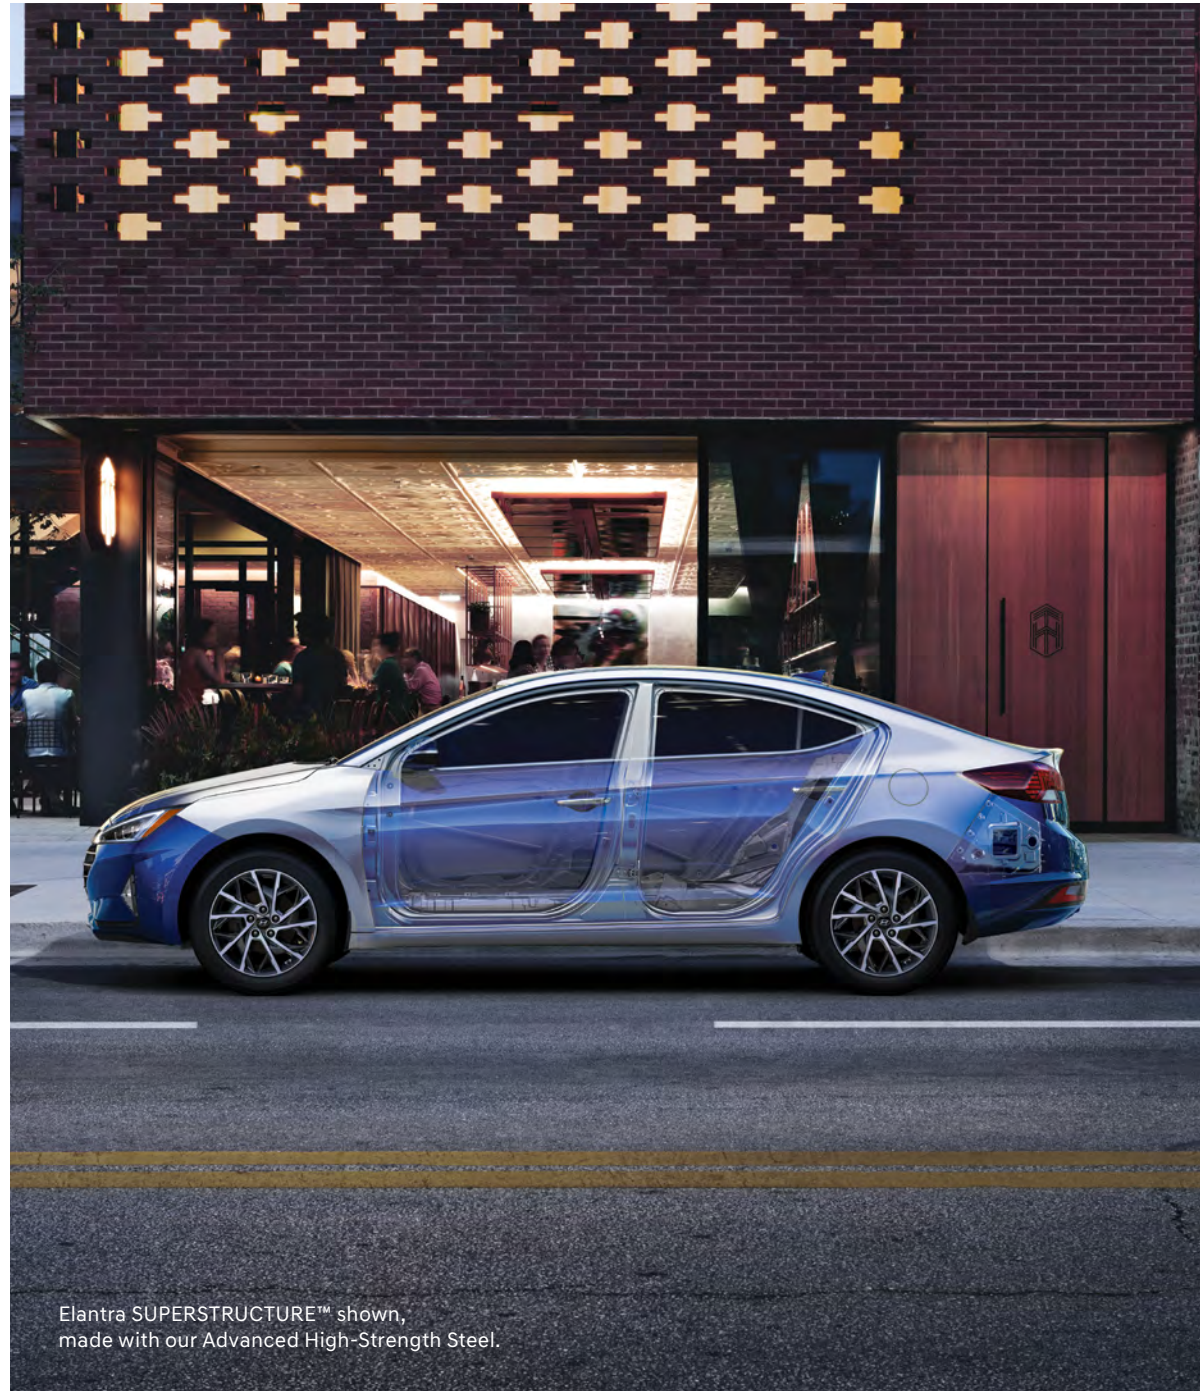

Our company believes in pushing the boundaries and challenging conventional thinking. Our very name, “Hyundai”, stands for modernity in the Korean language and it is this one word that helps represent everything we stand for. We don’t approach vehicle development in a traditional way. Our company is structured differently. We think differently. We find the modern way. It’s our mission to offer top quality, feature-rich vehicles at an affordable price.

We offer elite quality through meticulous design and painstaking craftsmanship. Our three design centres in Korea, the U.S. and Europe compete against each other to bring you cutting-edge designs — designs that not only look stunning but are also aerodynamic and fuel efficient.

We are the only global automaker to manufacture our own Advanced High-Strength Steel because, simply put, we just weren’t satisfied with what was available.

We test our vehicles in areas like the Arctic, our proving grounds in the Mojave Desert and on Germany’s world-famous Nürburgring circuit to deliver the durability and reliability you demand. And not only do we package our vehicles with advanced safety and technology, we back all our vehicles with one of the best automotive warranties in the industry. This means you really can have it all, quality and value together.

That’s the H-Factor.™

Elantra SUPERSTRUCTURE™ shown,
made with our Advanced High-Strength Steel.

Connected to you.

The Elantra has been designed to elevate your everyday drive with a wide range of technologies to help keep you connected. Available Apple CarPlay™ and Android Auto™ smartphone connectivity let you access your favorite mobile apps seamlessly and safely, through voice commands and the available 7.0" or 8.0" touch-screen display. You can keep that smartphone charged cable-free as well, thanks to the available wireless charging pad▼.

What else? Best of all is our available BlueLink® connected vehicle system². Enjoy features like Remote Start, Automatic Collision Notification, Find My Car and so much more. Stay connected and enjoy every drive with the 2020 Elantra.

Connected to you.

The ELANTRA.

Efficiently powerful.

Powering the 2020 Elantra is a 2.0L engine delivering 147 horsepower. Choose between the standard 6-speed manual transmission or our newly developed available Intelligent Variable Transmission — designed to replicate the natural acceleration of conventional automatic shifting gears, but with the added benefit of greater fuel efficiency.

Striking design.

Uniquely designed headlights and tail lights help you stand out from the crowd and feature available LED technology for a brighter beam of light and increased visibility at night. In addition to striking style, the Elantra features an available hands-free Smart Trunk for added convenience when your hands are full.

Available LED headlights

Available LED tail lights

Available hands-free Smart Trunk

Make yourself comfortable.

Comforts offered to elevate your drive include an available 8-way power driver's seat with lumbar support and standard heated front seats.

Available heated steering wheel

Available heated rear seats

Available dual-zone temperature control with auto-defogging windshield system

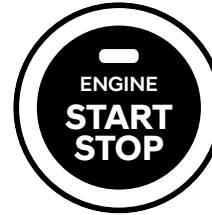

Standard heated front seats

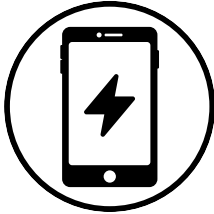

Convenient technologies.

Standard 5.0" touch-screen with rearview camera

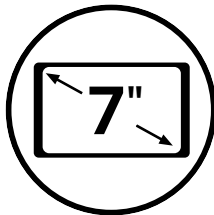

Available proximity keyless entry with push-button ignition

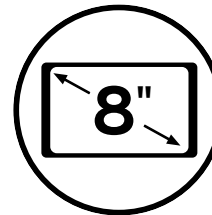

Available wireless charging pad[▼]

Available Infinity[®] audio system with 8 speakers

Available 7.0" touch-screen with Apple CarPlay^{™Δ} and Android Auto^{™◇}

Available 8.0" touch-screen navigation system

Never get into a chilly vehicle again. Among a wealth of features, one of the best in our available BlueLink[®] technology is the convenience of starting your vehicle remotely from your smartphone. Please see your dealer for full service-level details.

Hyundai SmartSense™

The Elantra features our available Hyundai SmartSense™ safety technologies — innovative, advanced driver assistance systems that can help alert you to, and even avoid, unexpected dangers on the road.

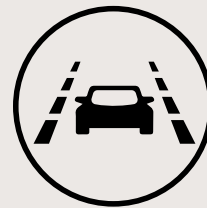

Unique to the 2020 Elantra is the class-exclusive Safe Exit Alarm‡. When a vehicle approaching from behind is detected, this available feature warns passengers with an audible cue to help prevent them from stepping out onto the road. This technology continues to monitor for up to 10 minutes after the ignition is turned off.

Forward Collision-Avoidance Assist with Pedestrian Detection

Blind-Spot Collision Warning with Lane Change Assist

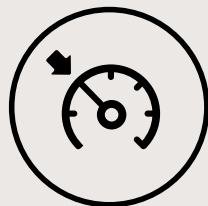

Lane Departure Warning with Lane Keeping Assist

Rear Cross-Traffic Collision Warning

Driver Attention Warning

Adaptive Cruise Control

Safe Exit Alarm

Parking Distance Warning — Reverse

Accessories

Premium All-Weather Floor Liners

Premium all-weather floor liners were designed to cover the interior carpet, providing maximum protection against the elements that other mats cannot offer. Remove carpet mats prior to installation.

Roof Racks

This durable, quick-locking roof rack system lets you transport cargo easily, without sacrificing interior room. Remove when not in use.

Premium All-Weather Cargo Tray

Protect your interior cargo area with style. This durable, custom-fit premium cargo tray protects from spills and messy loads while helping keep your cargo area looking new for years to come.

Accessory Frame

An accessory frame makes it quick and easy to attach hitch-mounted cargo equipment, such as bikes and ski racks. Frame not intended for towing.

For more information on additional accessories please visit hyundaicanada.com, or see your dealer for details.

*Exterior and interior colour options and/or availability by model may change without notice. Choice of interior colour is dependent on model and/or exterior colour selection. Colours shown are for reference only and may vary from the actual hue. Visit hyundaicanada.com or see your dealer for details.

Find the ELANTRA that is right for you.
